Letter Vacating Final Office Action

In a telephone conversation with SPE Terrel Morris on February 14, 2008, applicant has requested a new office action and resetting of the time period for response, which has been acknowledged and considered. Subsequent to filing of a Request for Continued Examination (RCE) including newly added claims and arguments on 10/31/07, the applicant received a premature Final Rejection mailed on 1/25/08. Accordingly, the Final Office Action is hereby withdrawn and vacated. No response is deemed necessary from applicant at this time. The application has been reassigned to Examiner Peter Choi for a thorough review of the application and mailing of a Non-Final Office action.
